**CLUB INTRODUCES NEW JERSEY**

(Colors may vary slightly from those displayed above)

The Great Plains Bicycling Club has custom designed a jersey and offers it for sale. Special thanks go to Bob Shriner for his advice and graphics design work. We believe this will be a very popular ride item.

The four-color jersey will have three pockets on the back and a three-quarter hidden front zipper and may be ordered with or without elastic in the bottom hem. The jersey sizing and style can be “club cut” or “women’s cut” – see below for sizing information.

**Orders must be received by April 22.** Jerseys cost \$81 each and are expected to be available for pickup mid June, 2006. The goal is to have the jersey available in time for this year’s Tour de Nebraska. Optional delivery will be provided for \$5 per jersey shipping and handling.

Completed order form and check for the total amount payable to Great Plains Bicycling Club should be sent to:
