Secretary's Report: The minutes from the July meeting were emailed to board members prior to the meeting. There were no comments or corrections.

Treasure's Report: We have \$13,850.00 in the checking account at this time. There are approximately 130 people registered for the Heatstroke 100 at this time.

Heatstroke 100: We have signage for the route. We are going to borrow some "cyclists ahead" warning signs from another group. Steve Clements will double check that the Bike Rack is supplying us with a mechanic. The truck will be loaded by 10:00 at the storage unit and the water needs to be picked up by noon. The rovers and the sag operators have their assignments. Everything else looks like it is ready to go.

Club Picnic: The club picnic will take place Sept. 13 from 1-4pm at Antelope Park. Hal Smith will pick up burgers, brats, and buns. We will have condiments left over from the ride.

Ski Club: The Cornhusker Ski Club has requested to advertise in our newsletter. We need more details on what they are proposing and will get back to the subject later.

Annual meeting: The date and location for the annual meeting need to be set. Randy Smith will try to get Wee Brazen Hussies to provide entertainment.

The next meeting will take place September 16, 2009 at 7:30pm at Highlands Animal Hospital.
